

NAVIGATING

USP <795>, <797>, & <800>

SEPTEMBER 26-27 • ST. PAUL, MN • (CEU): (1.3)

If you have questions about implementing USP 795/797/800 in your practice, join Fagron Academy for our two-day course and learn from experts in the field on topics of:

- Equipment, facilities, and environmental monitoring
- Regulatory affairs and compliance
- Beyond use dating
- Training of staff and competency
- Proper PPE usage
- Risk assessments
- Sterilization and testing
- Documentation writing to include an SOP writing workshop

The objective of this course is to improve understanding of how to implement these new guidelines in your practice. We will break down the chapters into sections in which experts can clarify the standard, answer your questions and help you make informed decisions.

After this course, your understanding of how to implement and become compliant with all three chapters will be increased for the December 2019 deadline.
