

CLASS **MPC**

MODERN PHARMACEUTICAL COMPOUNDING

**JOIN FAGRON ACADEMY AND EXPERT FACULTY FOR
MODERN PHARMACEUTICAL COMPOUNDING CLASS**

A three-day (21 hour) CE accredited application based course focusing on the fundamentals and best practices of non-sterile pharmaceutical compounding. MPC course attendees will become proficient in the applicable calculations and reparation of commonly used dosage forms, the operation of compounding equipment, and the packaging of finished compounded products.

Due to COVID-19 seats will be limited. To ensure the safety of all attendees and our staff, additional precautions will be taken.
